In January, I was asked to attend the State Leader Region 2
Planning session in Charl@e, N.C. One of the speakers was
Donna Godfrey. Donna is a consultant used by AANA occasionally
to inform Aroups of why certain businesses perform better than
others. She spoke about leadership issues and shared some new and
some not so new concepts of how and why Aroups react to change.
She hit the nail on the head with two reactions that hav 21Adg sean
